

LANDMARK STAFFING

Position: Form Setter

Location: Grand Junction, CO

Type: Full Time

Wage: \$19.00/ hour DOE

Mays Concrete, Inc. is a family owned and community oriented company with 50+ years of experience and a reputation of being Western Colorado's premier concrete contractor. Mays Concrete, Inc. is proud to be a leader in such a dynamic industry. Our strong vendor relationships, modern equipment fleet and manpower base, enables us to mobilize quickly and perform quality work in a safe, expedient manner, in both desert and mountain environments. We are currently looking for experienced form setters and laborers to join our excellent team.

Job Responsibilities:

- Set forms; pour, smooth and finish concrete sidewalks, roads, curbs, etc. using hand/powered floats, hand/powered trowels, and other equipment.
- Bolt, nail, align and block under forms.
- Level earth to fine grade specifications using pic and shovel.
- Work harmoniously and cooperatively with others at all times.
- Follow directions and instructions from supervisors.
- Perform a variety of tasks and duties that may change often as the work conditions require.
- Work within defined standards of accuracy.
- Perform all other duties as assigned.

Job Requirements:

- Background Check
- Valid Driver's License
- Reliable transportation to and from work
- Steel Toe Boots
- Previous experience as a Form Setter required

Knowledge, Skills, and Abilities:

LANDMARK STAFFING

- Ability to use arms and hands to reach for, handle and manipulate objects.
- Ability to do physical labor and other strenuous physical tasks.
- Good communication skills to work effectively and safely.
- Ability to work overtime, as required.
