

LANDMARK STAFFING

Position: Shingle Roofers

Location: Grand Junction, CO

Type: Full Time

Wage: \$20.00-\$25.00 per square OR \$20.00-\$25.00 per hour when not Shingling DOE

Local Roofing company seeking a Shingle Roofer to assist with residential and commercial roofing jobs. In this role, you will install or repair roofs, removing old material, installing asphalt shingles, solar tiles, metal, or other materials. You will cut and shape materials to the proper size for each job, so applicants must be comfortable using hand and power tools.

Job Responsibilities:

- Inspecting the structure of roofs in order to determine the best course of action.
- Providing clients with estimates on labor costs and materials required to fix or build a roof.
- Measuring and cutting materials to ensure that they fit securely around vents, gutters, chimneys, and walls.
- Smoothing out rough spots on roofs to prepare the surface for new shingles or waterproofing.
- Replacing materials of clients' roofs that are damaged or rotting.
- Install new materials
- Use hand tools and other equipment
- Follow all OSHA safety regulations

Job Requirements:

- Must have Valid Driver's License (company truck provided)
- Provide own tools (preferred)
- 1-3 years experience laying/tearing off shingles (required)

LANDMARK STAFFING

- Follow Safety Rules
- Background Check and Drug Testing

Knowledge, Skills, and Abilities:

- Ability to work at heights for long hours
- Physical Strength and good balance
- Ability to use various hand tools and equipment, such as scaffolds, while taking safety rules into consideration
- Carpentry skills are a plus

Benefits:

- Paid time off after hired on permanently
- Steady consistent work for the right candidate with solid company that is always busy
