

LANDMARK STAFFING

Position: Industrial Painter

Location: Grand Junction, CO

Type: Full Time

Wage: \$15.00 - \$21.00/ hour

Job Summary:

We are seeking a skilled industrial painter who has experience using HVLP (High Volume Low Pressure) spray guns to apply paint coatings on machine frames and parts. The ideal candidate will have a keen eye for detail and be able to produce high-quality finishes while maintaining a safe and clean work environment.

Responsibilities:

- Prepare surfaces for painting by cleaning, sanding, and masking as needed.
- Mix paints and other coatings to achieve the desired color and consistency.
- Operate and maintain HVLP spray guns to apply paint coatings on various surfaces, such as metal, plastic, and wood.
- Monitor spray equipment and adjust settings as needed to achieve the desired finish and coating thickness.
- Ensure that all safety guidelines and protocols are followed when using spray equipment and working with paint chemicals.
- Keep the work area clean and organized, including maintaining equipment and performing regular maintenance tasks.
- Work closely with other team members to ensure that projects are completed on time and to the desired quality standards.
- Communicate with supervisors and managers about progress, issues, and concerns related to projects and equipment.
 - When not painting, candidates will be in Quality Control department doing various assigned tasks

Requirements:

- At least 1 years of experience as an industrial painter, with specific experience using HVLP spray guns.

LANDMARK STAFFING

- Knowledge of different types of paints, coatings, and solvents, and how to mix them to achieve the desired finish.
- Strong attention to detail and ability to produce high-quality finishes.
- Ability to read and interpret blueprints, drawings, and other technical documents.
- Experience with different types of surfaces, including metal, plastic, and wood.
- Good communication skills and ability to work effectively as part of a team.
- Ability to lift heavy objects and perform physical tasks, as required.
- Willingness to work in a fast-paced environment and adapt to changing priorities.
 - Ability to use/read micrometers
 - Background Check and drug testing required for this position.

If you have a passion for painting and enjoy working with your hands, then we encourage you to apply for this exciting opportunity to work as an industrial painter with HVLP spray guns.
