

LANDMARK STAFFING

Position: Manufacturing Facility Janitor

Location: Grand Junction, CO

Type: Full Time - Tuesday - Friday 5:00 a.m. - 3:45 p.m.

Wage: \$14.25/ hour

Job Summary:

We are seeking a reliable and diligent individual to join our team as a Manufacturing Facility Janitor. The primary responsibility of this role is to maintain cleanliness, hygiene, and orderliness within our manufacturing facility. As a janitor, you will play a vital role in ensuring a safe and healthy work environment for all employees. This position requires attention to detail, strong time management skills, and the ability to work independently. The ideal candidate will be proactive, efficient, and possess excellent organizational skills.

Responsibilities:

1. Perform routine cleaning tasks to ensure the overall cleanliness and tidiness of the manufacturing facility, including offices, restrooms, break rooms, production areas, and common areas.
2. Sweep, mop, and vacuum floors regularly to maintain cleanliness and remove any debris or spills promptly.
3. Empty and clean trash receptacles, recycling bins, and dispose of waste in accordance with established protocols.
4. Clean and sanitize restrooms, including toilets, sinks, and other fixtures, to ensure a clean and hygienic environment.
5. Maintain and restock janitorial supplies and ensure they are readily available for use.
6. Dust and wipe down surfaces, including desks, tables, chairs, windowsills, and equipment.
7. Clean windows, glass partitions, and mirrors to maintain a streak-free and polished appearance.
8. Monitor and report any maintenance or repair needs, such as broken fixtures or equipment, to the appropriate personnel.
9. Adhere to health and safety guidelines and maintain a safe working environment at all times.
10. Follow proper procedures for handling and disposing of hazardous materials, chemicals, and cleaning agents.
11. Assist in maintaining inventory of cleaning supplies and equipment, and communicate any restocking needs to the supervisor.

LANDMARK STAFFING

- 12. Collaborate with other team members and provide support as needed during special projects, events, or facility inspections.**
- 13. Operate cleaning equipment, such as floor scrubbers, carpet cleaners, and power washers, ensuring proper handling and maintenance.**
- 14. Maintain confidentiality and discretion while handling sensitive information or areas within the facility.**
- 15. Follow established protocols and guidelines for waste management and recycling initiatives.**

Qualifications:

- 1. High school diploma or equivalent.**
- 2. Proven experience in janitorial or custodial work, preferably in a manufacturing or industrial setting.**
- 3. Strong knowledge of cleaning and sanitation practices, including the safe use of cleaning agents and equipment.**
- 4. Attention to detail and ability to maintain a high standard of cleanliness and organization.**
- 5. Excellent time management and organizational skills, with the ability to prioritize tasks effectively.**
- 6. Ability to work independently and efficiently with minimal supervision.**
- 7. Physical stamina and ability to perform tasks that involve standing, walking, bending, lifting, and carrying heavy objects.**
- 8. Familiarity with safety protocols and the ability to adhere to health and safety regulations.**
- 9. Effective communication skills to interact with colleagues and report any maintenance or safety concerns.**
- 10. Flexibility to work occasional evenings, weekends, or overtime, as required.**
- 11. Background Check and drug testing required**
