

LANDMARK STAFFING

Position: Auto/Diesel Mechanic
Location: Grand Junction, CO
Type: Full Time
Wage: \$22.00-\$40.00/ hour

Wicked Wrench is a well-established and reputable auto repair facility committed to providing top-notch automotive and diesel repair services. With a team of experienced professionals, we pride ourselves on delivering quality workmanship and exceptional customer satisfaction. As we continue to grow, we are seeking an experienced Auto/Diesel Mechanic to join our team.

We are looking for a skilled and experienced Auto/Diesel Mechanic to diagnose, repair, and maintain a variety of vehicles, including both gasoline and diesel engines. The ideal candidate will have a strong technical background, a passion for solving complex automotive issues, and a commitment to delivering reliable and efficient vehicle repair services.

Job Responsibilities:

- **Diagnostic Testing:** Conduct thorough diagnostic tests to identify vehicle issues and malfunctions.
- **Repair and Maintenance:** Perform repairs on various automotive systems, including engines, transmissions, brakes, suspension, and electrical components.
- **Diesel Engine Expertise:** Diagnose and repair diesel engines, including fuel systems, emissions controls, and other related components.
- **Routine Maintenance:** Conduct routine vehicle maintenance, such as oil changes, tire rotations, and fluid checks.
- **Adherence to Safety Standards:** Follow safety protocols and guidelines to ensure a safe working environment for yourself and others.
- **Documentation:** Maintain accurate records of repairs, parts used, and services performed.
- **Customer Interaction:** Communicate effectively with customers, providing explanations of repairs and options for maintenance.
- **Collaboration:** Work collaboratively with other team members to address complex automotive issues.

Job Requirements:

LANDMARK STAFFING

- 2+ years of proven work experience as an Auto/Diesel Mechanic.
- Certification from a recognized automotive or technical institution is required.
- Strong diagnostic and troubleshooting skills
- Proficient in using diagnostic tools and equipment
- Familiarity with both gasoline and diesel engines.
- Excellent attention to detail and precision in repair work.
- Background Check and drug testing required for this position.
- Valid Driver's License required.

If you are a skilled and experienced Auto/Diesel Mechanic looking for a challenging and rewarding career, we invite you to apply for the position with Wicken Wrench. Join us in delivering high-quality automotive services and contributing to the success of our reputable auto repair facility.
