

LANDMARK STAFFING

Position: CAD Designer

Location: Grand Junction, CO

Type: Full Time; Monday - Friday 8 a.m. - 5 p.m.

Wage: \$20.00 - \$30.00/ hour

Job description

We are seeking a skilled and detail-oriented CAD Technician to join our team. As a CAD Technician, you will be responsible for creating technical drawings and plans based on project specifications and requirements. You will work closely with engineers, architects, and other professionals to produce accurate and high-quality designs. The ideal candidate should have strong proficiency in CAD software and excellent communication skills.

Responsibilities:

- Create detailed technical drawings and plans based on project requirements.
- Collaborate with engineers, architects, and other professionals to ensure the accuracy and quality of designs.
- Revise drawings as necessary to incorporate changes and updates.
- Maintain organized documentation of drawings and related materials.
- Adhere to project deadlines and specifications.

Requirements:

- Must be proficient in Autodesk Civil 3D (accessory software knowledge a plus, e.g., Revit, Navisworks, 3D Plant).
- Proficient with Microsoft Office.
- Strong attention to detail and accuracy.
- Excellent communication and teamwork skills.
- Ability to work efficiently under pressure and meet deadlines.
- Previous experience in a similar role is preferred.
- A degree in drafting, engineering, or a related field is an asset but not required.
