

LANDMARK STAFFING

Position: Roofing Supervisor
Location: Grand Junction, CO
Type: Full Time
Wage: \$27.00 -\$28.00/ hour DOE

The Roofing Supervisor is responsible for overseeing and managing roofing projects from start to finish. This includes coordinating with team members, ensuring compliance with safety standards, and delivering high-quality roofing work on time and within budget. The ideal candidate will have extensive experience in roofing and construction, strong leadership skills, and the ability to handle multiple tasks efficiently.

Key Responsibilities:

- Plan and supervise roofing projects, ensuring timely completion.
- Allocate resources effectively, including labor, materials, and equipment.
- Lead and manage roofing crews, providing guidance and support.
- Ensure all roofing work meets company standards and client specifications.
- Conduct regular inspections and audits to identify and rectify any issues.
- Maintain detailed records of project progress and quality checks.
- Enforce safety policies and procedures on all job sites.
- Serve as the primary point of contact for clients, addressing any concerns or questions.
- Manage client expectations and resolve any disputes promptly and professionally.

Qualifications:

- **Education:** High school diploma or equivalent; degree in construction management or related field preferred.
- **Experience:** Minimum of 2 years of experience in roofing, with at least 1 year in a supervisory role.
- **Skills:**
 - Strong leadership and team management skills.
 - Excellent organizational and time-management abilities.
 - Proficiency in reading and interpreting blueprints and technical specifications.
 - Solid understanding of roofing materials, techniques, and safety standards.
 - Effective communication and interpersonal skills.

Working Conditions:

- Must be able to work outdoors in various weather conditions.
- Ability to work at heights and on different types of roofing surfaces.
- Flexibility to work extended hours

Physical Requirements:

- Ability to lift heavy materials and equipment
- Prolonged periods of standing, climbing, bending, and kneeling.
