Position: Garage Door Technician w/ Estimation Experience

Location: Grand Junction, CO

Type: Full-Time

Wage: \$20.00 - \$25.00 Per hour +

As a Garage Door Technician/Estimator, you will play a crucial role in the success of our business by providing accurate estimates to customers as well as providing quality service to installation, diagnostic, and repairs to garage doors and windows. You will be responsible for meeting with clients, assessing their needs, and presenting them with solutions from our range of premium garage doors. The ideal candidate will have a strong customer service background, as well as construction experience. Excellent communication skills, and strong mathematical aptitude.

**Responsibilities:**

- Conduct on-site assessments to accurately measure and evaluate garage door installation requirements.
- Provide detailed and transparent estimates to clients, clearly explaining the features and benefits of our products and services.
- Collaborate with customers to understand their needs and preferences, offering customized solutions that meet their expectations.
- Diagnose and repair or replace garage doors and windows for both residential and commercial customers.

**Qualifications:**

- Proven experience in construction, minimum of 2 years, with some estimated writing experience.
- Strong interpersonal and communication skills.
- Ability to accurately measure and assess garage door installation requirements.
- Knowledge of garage door products is helpful but not required.
- Excellent organizational and time management skills.
- Valid driver's license and reliable transportation.
- Ability to read and interpret blueprints.
- Background Check and Drug Testing required for this position.
